## Clubhouse And Carport Sale

Many thanks to all of you for making another Clubhouse & Mobile Home Sale a success! The money collected at the end of the day was \$4,370.68! The breakdown for each area of the sale is as follows:

Boutique	\$ 510.66
Bakery	\$ 513.92
Hot Dog Sales	\$ 544.50
General Sales	\$ 1,720.60
Furniture	\$ 1,019.00
Carport Fees	\$ 62.00

A "Big Thank You" to our furniture movers Mike Fleming, Bob Eugaire and Tom Blackney and the fellows who joined in to help move things to resident houses, the clubhouse and cars of the buyers. We really appreciate you guys. You definitely contributed greatly to the success of the furniture sales! Once Charlotte Rivard's team took hold of those items, they cleaned, dusted, repaired and arranged them in a display that proved to be so attractive that it was the highlight of the day. Kudos to you gals for working so diligently on this project, your profit margin was outstanding!

Linda Fleming headed the bake sale this year with the help of Diane Souza. These gals created a very appealing look to our baked goods by using deep purple and white table cloths as a background to set off all the tasty treats and freshly baked cinnamon rolls. Yum, Yum, thanks to all the Sandalwood bakers, we could not do this without you!

Once again Susan Smith, our Boutique Lady, chose an outfit for the day that complimented the wares in her "little shop". Her glitzy, dangling gold & silver fringed dress would have worked well for a roaring twenties party along with dancing the Charleston! We can always count on Susan to add sparkle to our day.

Larry Moore and his team did a great job cooking and serving up those grilled hot dogs and trimmings. Thanks to Tom and Sally Thompson for buying the food for our lunch time crowd. Not to forget mentioning Sally's Coney Sauce and diced onions, two very necessary condiments to give those dogs a kick!

We are grateful to Sam Dicks as well as Bubba, who is always so gracious to bring his sound equipment along with his musical abilities to entertain our lunchtime crowd. Thanks to Bubba's wife and two of our park residents, Johanna Lauzon and Bob Koons for completing this group of songsters.

New to the workings of this year's sale are Joyce Blackney and her husband Tom. They did a wonderful job of collecting and storing the furniture and other contributions. Joyce was so dedicated to this event that she took home all the fabric items, washed, folded and stored them away in her home to insure their sale ability. Lucille Mitton was also a partner in the Blackney team and many other aspects of this sale, we are grateful for her help. Joyce and Tom also ran errands in and out of the park and helped in setting up the tables and tearing them down once the day ended. They did so much to lessen the workload of running this event. They were a joy to have on our team.

In conclusion, it takes a village..... to carry out this rather large event at Sandalwood. So many of you worked this sale starting from Wednesday and onto Saturday, some ran back to the clubhouse to accept, price and arrange last minute contributions on Friday. We are grateful for your willingness to help us so late in the day. And a thank you for the set up and tear down crews, to the people who cleaned, priced and placed items, the cashiers and baggers, the bakers and hot dog cooks and servers. Let us not forget the people who stayed to haul off all the leftover items. A special thanks to Tom Underhill who spent all day assessing and pricing the bikes and outdoor equipment and then worked in the hot sun to successfully sell the majority of those items.

Last but not least, Connie Bressler, who is always faithful and willing to roll up her sleeves. She also has great common sense to make the event run smoothly. Thanks Connie! No doubt, Sandalwood is a great place to be because of the caring and generous spirit of this community.

Donna, Joyce and Connie

## CHECK, PLEASE

Since having our dinner parties catered, it has become apparent that we need a better way to keep track of ticket sales. Going forward, payment for events MUST be made by check payable to SAC. If you do not have a checking account, we will certainly accommodate you but all others must have a check in hand. This is also proof of payment should you misplace your ticket(s). Thank you all for your cooperation in this matter.

## St. Patrick's Bash

The annual Smith Family St. Patrick's Bash took place this year at Susan and Mike Smith's home on Boxwood. Susan and Mike throw this party every year and the entire park is invited. All you need to do is bring your own adult beverage and a finger food to share. People who are Irish, think they're Irish, wish they were Irish or don't care if they're Irish gathered at the Smith home and enjoyed a great social afternoon. As coincidence would have it, it was also Dave Alvis's birthday. Everyone welcomed Dave to the Social Security era with song and cake. It was a great afternoon. Thanks to two great hosts, Susan and Mike Smith. If you missed this year, you won't want to miss next year.

## CONSIDERATION PLEASE

The Sandalwood Board of Directors is here to serve you, the Shareholders. We are also Shareholders, retirees and volunteers for our positions. We ask that you give us consideration when making requests. If an emergency situation arises for something that needs to be addressed immediately, please feel free to contact any of us at any time on any day. If there is a situation that does not need immediate attention, that can be addressed during normal business hours, please contact us during those hours. You can also contact the office from 9:00am to noon on weekdays, leave a voice message on the office phone or email your request to the office at sandalwoodoffice@gmail.com. The list of the Board of Directors, and their contact information is listed on page 2 of the monthly Sandalwood Newsletter.

## Singles Wanted

Please try to bring small bills to any activity that requires singles and/or fives (50/50, trivia, horse races, ice cream social, etc.). It is often difficult to make change for a \$20. Thank you for your cooperation.

## Showcase 2020

WOW! Next year's Showcase is going to be great! Last year, we announced that we would do a "Favorites" series. We had the Showcase attendees select their top three choices of the performers we have had over the years. Luckily, we have been able to hire two of the top three entertainers that people wanted to see again. First on the list was Red Hot & Blue Collar, but they are not performing anymore due to a divorce.

Our first show won't be until January 19, which will be better for the snowbirds who come south a little later. The ticket sale will also be later, but that date won't be selected until SAC makes out next year's calendar.

Like all the series on TV that end the season with a cliff hanger, we'll do the same and not announce next year's three fantastic shows until next season. YOU WON'T WANT TO MISS IT.

We are a small, neighborhood AC company. We are a team of technicians, not salesmen, and the same familiar face will greet you at your home.

## PROPOSED REGULATON CHANGE

At the March Board of Directors meeting, the wording for a regulation change was approved. It is shown below in BOLD. The change to the regulation will be voted on at the April 10, 2019 Board Meeting. The meeting will be held at 10:00am in the clubhouse.

The reason for the modification to regulation 7.8 is to restrict the type golf carts to only electric. Currently, there are no other types of golf carts in Sandalwood Park. If other types of carts are allowed, we could potential get into a noise situation. More importantly, we could have a problem with gas storage in sheds.

### VII Vehicles

7.8 Golf carts are permitted within the park, but must be registered at the park office and operated safely under the following guidelines:

- Golf Cart Registration Form must be completed and signed by all applicants.
- Golf Carts must be properly registered and a current proof of insurance on file with Management before it can be operated in the park.
- The Golf Cart owners will place 4 inch reflective numbers of the owners unit number on each side of the golf cart at time of registration and before the golf cart can be operated in the park. These numbers must be displayed while the golf cart is in operation in the park.
- No golf cart can be operated within the park by anyone younger than 16 years of age.
- Only one golf cart is allowed per home.
- Golf Carts must be parked on driveways, never on the grass.
- Golf Carts must follow all the rules and regulations of motorized vehicles.
- Golf Carts must be equipped with headlights and red taillights if operated before sunrise and after sunset.
- **Only electric golf carts are allowed.**

### These Noisy Kids

"Knock-it-off, are the only words I've heard from him this past week," said Donna.

Donna and Fred's grandkids are down for the summer. She called asking for help, since Fred was complaining that the kids are too loud. His irritation was causing tension and putting a damper on the summer vacation.

To make certain we got this one right, we asked him to bring in one of the grandkids.

When sounds are not commonly heard, the brain will pay extra attention to ensure you are aware of this new noise. It is a primitive mental response to keep us safe. This same effect is when you stay in a hotel and new sounds keep you from sleeping well. Your brain is not sure what to do with the new noise and wants you to decide if the sound is important.

When kids are out of the house, our brains adapt to the quieter environment. Then grandkids visit, bringing noise into what was a quiet home. These unfamiliar sounds get attention from our brain, and this constant attention is a bit exhausting, which can result in grumpy people.

Depending on the length of their visit, you may just need to accept the sound and focus on relaxing. For others however, the best fix is a program adjusted for the kids.

If you wear hearing aids and notice you are getting tired and irritable with kids in the house, you can have one program to reduce these sounds. Even though they may be here temporarily, a program set to allow you comfort and confidence around them can ease everyone's experience.

Donna and Fred brought in their granddaughter to ensure we got a program that would soften the sounds. We set up the program then they went to lunch with the whole family and called after lunch to let us know it went well, Fred was relaxed and engaged.

If you struggled when around younger people, it is time to have a checkup for your hearing. Call my office, 941-244-9300, with any questions about program settings.

## Easter Dinner

Our annual Easter dinner will be held on Easter, April 21st at 2:00. Although details are still being worked out, we will be having a catered traditional Easter ham dinner with all the trimmings. Keep an eye on the bulletin board for menu and price per ticket.

Remember, tickets will only be sold April 2nd, 4th, 9th and 11 from 10:00-12:00 in the activity room and must be paid for by check.

## Last Dance

Our season is coming to an end and many of you will be leaving soon. Even more the reason to make sure you come to our last dance on April 6th, 7:00-10:00. Our entertainment this year is new to Sandalwood; Twice as Nice is taking the stage. You may have seen them at the Moose or other venues around the area. They're very good and will have you on the dance floor. So, mark it on your social calendar, put on your dancing shoes and come. As usual, there is a \$5.00 admission at the door.

## TICKET SALES

Since we can no longer sell tickets through the office, SAC has decided to open a "box office" in the activity room of the clubhouse. During the two weeks prior to a ticketed event, tickets will be available on Tuesdays and Thursdays 10:00-12:00. Easter dinner tickets will be sold on April 2nd, 4th, 9th and 11th. For your convenience, box office schedules will always be listed in the newsletter. Starting next season, tickets may be purchased for several or all of our events at the same time. Please remember that checks are the preferred payment.

We have been advised that we MUST pay sales tax on each ticket sold for our events (hey, who knew?!). Starting next season, an additional charge of \$1.00 will be added to each ticket to help cover the state's due. We hope you understand our situation and the need for the increase. All complaints should be sent to the governor's office-haha.

## SANDALWOOD ACTIVITIES COMMITTEE

Minutes of March 12, 2019 Board Meeting

Opened at 10:00 am with Pledge led by President Carmen Wallin

Secretary's Report: Motion made by Secretary Susan Smith to accept the February minutes as printed in the March Sandalwood Park newsletter. Second by Lucille Mitton.

Treasurer's Report: Motion to accept by Lucille Mitton. Second by Gail Pellitteri.

Committee Reports: All regularly scheduled activities are running smoothly and well attended. Shuffleboard and Bocce are ending their tournament season with a Pizza Party on March 21. Sign ups for next year are on the clubhouse bulletin board. Remember that the shuffleboard and bocce courts are available any time for playing at your leisure. A key to the shed for equipment is in the Exercise Room. If you do use it REMEMBER to return it.

### Old Business:

Valentine's Day Dinner/Dance: Despite last minute music changes, everyone was pleased with the evening's dinner and dancing afterwards. Kudos to Gail Pellitteri and her crew for another successful event.

Showcase: The third and final showcase of the season was a rousing success. Thank you, Carmen, and your committee for your diligent efforts in securing top notch performers.

Pancake Breakfast: Everyone continues to enjoy the food and camaraderie at Tony Ellis' breakfast spread. We all look forward to these next year. Thanks to all the kitchen chefs and their assistants.

Clubhouse and Carport Sale: Judy Oberdick, Treasurer, reported a net of \$3,963.48. THANKS to everyone who helped; and especially to Joyce Blackney, Donna Eckman and Connie Bressler for their work and coordination of all the details. There was significant discussion and input from the board and those present at the meeting re: the need for new leadership and options. Information will be forthcoming as the Board determines what to do.

Gail reminded us that the due date for newsletter articles to appear in the April Sandalwood Newsletter is March 13th.

### New Business:

St. Patrick's Dinner/Karaoke: About 80 people have signed up. It was suggested that next year ham be offered as an option to the corned beef. This would require you to make your meat choice at the time of your ticket purchase, thus indicating your choice by your ticket color. Since the caterer would have to know how many of each to prepare for, there could be no changes accepted the night of the event.

### Ticket Sales for Events:

Since we can no longer sell tickets through the office, it was suggested and adopted that next year's sales for our ticketed events will be made available during given "Box Office" hours two weeks prior to the event at the clubhouse. Tickets will be sold for any and all events on Tuesdays and Thursday 10:00-12:00. For example, you can purchase tickets in November not only for Christmas, but also for the Valentine's Dinner, St. Pat's Day, Easter, Picnic, and/or the Showcase. Tickets, however, will be non refundable. Note: Box Office days/hours for the Easter Dinner ticket sales will be April 2nd ,4th ,9th and 11th 10:00-12:00.

Now that we are selling tickets for our events, we have been advised that we MUST pay sales tax. This will mean a ticket increase of \$1.00 per ticketed event for next year. In other words, we are not increasing the event ticket cost to cover our expenses, but are charging the extra \$1.00 to help cover the sales tax. For example, what cost \$15.00 this year will cost \$16.00 next year.

Annual Picnic: Barb Moore, Chair, reported that all is under control and looks forward to another fun-filled time.

Events Supplies: Barb Moore, "Supply Manager," reported that, with Board approval, she is switching to paper products rather than plastic. Besides being cheaper, it is also eco-friendlier. The plates she showed us were heavy duty and appeared that they would withstand cold as well as hot items. This change will be 'piloted' at the Pizza Party and the Snowbird Farewell.
