Letter from SPH President

From the very first Board of Directors and through the past twenty-two years, I have no doubt that every Board member has wanted Sandalwood to prosper and grow.....and we have.

We can take pride in these continuous years of improvements. New roads, beautiful pool and pool furniture, shuffleboard, new patio, road signs, building improvements and the new building! We now have irrigation in most common areas and new plantings. New bocce courts and a golf putting area were added in 2015. Just this past month we installed a new fence along Cortina Blvd. Our Sandalwood sign with LED lighting will be redone within a few weeks. All these amenities and more have been accomplished while still maintaining a healthy financial statement.

The land was purchased in 1996 and a mortgage burning was held in 10 years! The new addition to our clubhouse included a new roof on the existing clubhouse and hurricane windows throughout. These renovations and additions came at a cost of \$500,000. Once again, these expenses were paid off in less than three years! Twenty-two years and the only increases in maintenance has been to pass through our Comcast increases.

We can credit the success of Sandalwood Park to the wonderful people who live here and the dedication of all Board and Committee members who have worked tirelessly for the betterment of our community.

I wish you all a Healthy and Happy 2018!

Regina Fortin,
Your President

Concert Series

Concert series tickets will go on sale at 10:00, Friday, January 12. You may select your seats at that time and you may pay by check or cash. We don't have the ability to take credit cards. In the past seats have been selected at the end of December, which made it unfair for residents who didn't return until January. We have three great shows this year and again the price is only \$60.00 for the entire season. The committee always tries to select shows that we feel will be most enjoyed by our park. Most of the shows we select are musical, but when we saw Dick Hardwick, every member of the committee felt we had to hire him. You'll still be laughing on your way home. Dick Hardwick will be our first concert at 7:00, Sunday, January 21. Our next show is Crystal Gage & Ryan St. Denis on Sunday, February 18. Crystal Gage performed for us years ago and was very well received, and adding her husband, Ryan, has made the show even better. Our final show, Michael D'Amore, is at 7:00 on March 25. Michael currently performs as a one-man show around the country performing the very best of the 50's, 60's, 70's and more. We are very fortunate to have such professional shows available right here. Most parks our size don't have the same opportunity.

Many times when people are leaving following one of the shows they say, "You have to have them back!" We're curious to see which shows in the past have been your favorites. At the first concert I'll give each of you a sheet with all of the shows we've had and ask you to select your favorites. Some of you may not remember all the shows so if there were particular things that might help you identify them, I'll try to include a description. I won't include any acts that we have seen more than once, and I won't include any acts that received negative comments.

Valentine Dinner Dance

Make plans now to join us in the Sandpiper Room Saturday February 10th for our Valentine Dinner Dance! This fun night will include live music and a delicious spaghetti dinner. Tickets are \$10.00 each and will be available in the office January 19th for residents and open to guests on January 26th.

And Then the Fight Started...

by Karen Post

Robert and Shelley were sitting without saying a word, yet the silence was loud. I was trying to be friendly when I accidentally stirred things up. It reminded me of those old jokes that end with the line, "and then the fight started..."

My wife was hinting about what she wanted for our upcoming anniversary. She said, 'I want something shiny that goes from 0 to 150 in about 3 seconds.'
So, I bought her a scale. And then the fight started...

When I asked what was going on, Robert didn't hear what I said. He knew I spoke but could not understand what I said. And then the fight started...

Shelley shared that yesterday they had met with their insurance agent, a young woman, who sat directly in front of Robert and he didn't understand her.

I pulled up his file and Robert has a profound loss, almost as bad as Blair's mother, MaryEllen.

When someone has this significant of a loss, it takes a lot of technology to amplify the right frequency so they can even hear the sounds. If we can increase the volume enough, then their own ability to process words determines success. Robert's discrimination is 68%, which means he can process only two out of three words. So Robert will have to fill-in or guess at the other words.

Having known MaryEllen I understood the pain, fear and frustrations that comes from living with someone with a hearing loss. I know that emotional pain of not being understood by MaryEllen. She wasn't trying to confuse my words, she just had to guess at so many. MaryEllen passed away in 2008 and she wore the best hearing aids back then, but they aren't anything like the amazing technology available now. Maybe if we had the current technology's power, sound reduction and speech enhancers she and I might have been able to talk to each other without confusion and strain.

We understand the strain and emotional pain that comes when living with someone who can't easily hear what you are trying to say. If you or someone you care about is not hearing well and this is straining your relationship, call for an opportunity to try the new technology.

SAC (Sandalwood Activities Committee)

The SAC board will begin our meetings in January. It was decided last year that the board would only meet from January through April. The agenda meeting is at 10:00, Tuesday, January 5, and the board meeting is 10:00, Tuesday, January 12. That is also the date that a new board is to be elected. At this time we have two vacancies on the board so we need two more residents to join us. If you would be willing to help us, just contact any of the board members. We have made a new policy which will make serving on the board easier. When a board member is in charge of an activity, other board members are not asked to help. This makes it possible to just enjoy those activities in which they are not involved. If a board members wants to help, that's OK, but not necessary. A new board member WILL NOT be asked to be in charge of any of the activities. We welcome new members and new ideas.

Hugs

*It's wonderful what a hug can do,
A hug can cheer you when you're blue.
A hug can say "I love you so,"
Or "Gee, I hate to see you go."
A hug is "Welcome Back again,"
And "Great to see you! Where you been?"*

*A hug can sooth a child's pain,
And bring a rainbow after rain.
The Hug! There's just no Doubt about it -
We scarcely could survive without it!
A hug delights and warms and charms,
It must be why God gave us arms.*

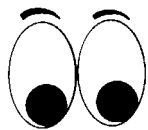

*Hugs are great for fathers & mothers,
Sweet for sisters, swell for brothers.
And chances are your favorite aunts
Love them more than potted plants.
Kittens crave them, Puppies love them.*

*Heads of state are not above them.
A hug can break the language barriers
And make your travels so much merrier.
No need to fret about your store of 'em;
The more you give the more there's of 'em.*

*So stretch those arms without delay
And give. Someone a hug today!!!*

At the November 8, 2017, monthly board meeting, the Sandalwood Board of Directors unanimously approved the following Regulation changes. These changes have been reviewed by Sandalwood's lawyers. They take effect immediately.

Regulation Changes or Modifications

III HOME SITES

3.11 Garages are not permitted in Sandalwood Park. A garage, as defined by Sarasota County, is a building or enclosure that is used for the storage of motor vehicles. Said building or enclosure has been granted a building permit to be constructed as such.

V GUESTS, RENTERS OR TENANTS

5.8 Renters and overnight guests are not allowed to have dogs. Other indoor pets are at the discretion of the shareholder. Daily visitor's dogs must remain on the shareholders property and as defined in 6.1 cannot exceed 20 pounds.

VI PETS & ANIMALS

6.1 Animals weighing in excess of 20 pounds are not permitted in the Park. All animals must be kept on a maximum of a 6 foot leash, must be under the control of the owner at all times, must not create a disturbance to other residents and may not be tied outside unattended. Animal droppings must be picked up by the animal's owner in all park areas including Cortina roadside, Sandalwood Drive and all ditch areas. Members, Tenants, and their guests should respect the property of all members. Animals should not be allowed to wander on other member's property unless invited to do so.

It is required that your pet take care of its daily functions on your lot. As a precaution, pet owners are required to carry some type of container when walking their pet and to immediately cleanup their feces. Failure to comply will result in a fine or removal of the pet.

6.6. All pets must be registered with the park office. Registration should include a picture of the pet, pet's name, owners name and contact information. As required by Sarasota County ordinance all pets must be current with vaccinations and licensed. Information must be updated in the office yearly.

6.7. The Board of Directors is empowered to order and enforce the removal of any service animal, assistance animal or pet which endangers the person or property of or becomes a source of unreasonable annoyance to any homeowner, occupant or guest.

REGISTER YOUR PETS

Have you registered your pets yet? Rule modifications passed by your Board on Nov. 8, 2017, require all pets in the park to be registered. This is not just for dogs. A copy of your pets inoculation papers and a photo must also be on file in the Park Office. See the regulation details in another article in this newsletter.

Signing Up For Park Activities

We have been very happy with the participation at our SAC events. There have been times when people in the park were unable to attend an event because of the limited space. By law we are only allowed to have 128 people at an event where people are seated at tables. Therefore SAC has adopted some policies that might alleviate problems. At our dinners the sign-up sheet will be posted by noon three weeks in advance for park members only. Two weeks before the event park residents and guests may sign up and the sign will be taken down one week before the event. The room will be set up in advance for 128 people. We will have a waiting list, so if you are signed up and cannot attend, please call the person in charge so someone can take your place. The SAC board values your input, so feel free to express your concerns to a board member. Thank you!

Christmas Dinner/Dance

If you didn't attend the Christmas dinner/dance on the 16th you missed a great party! This year the dinner was delicious! There were many who helped Marci and Regina with all that needs to be done to put together a dinner/dance. Our thanks go out to all involved. Barb Moore worked her magic again creating a salad bar that not only looked beautiful but had everything anyone could have wanted to make the "perfect salad". The entertainment was outstanding, thanks to Sharon Traver for recommending and securing "Daniel Fugazzslls"! Gil handled the decorations and they were beautiful!
