SANDALWOOD PARK HOMEOWNERS, INC. PRESIDENT'S REPORT OF BOARD ACTIVITIES ANNUAL MEETING 2/18/10

The major accomplishment of the year, and the most significant accomplishment since the park was purchased, was the completion of the clubhouse expansion. I'm pleased to announce that the addition, furnishing and the remodeling of the original building were all completed for less than \$500,000. I'm also pleased to announce that we borrowed only \$200,000 of the \$400,000 which the shareowners had approved. But I'm most pleased to conclude that the project accomplished our common goal of providing adequate facilities for our active association. The major rooms have been named "Sandpiper" and "Activities". The lanai has been developed as an exercise room as directed by the membership at the 2009 annual meeting.

The brick paver program sold 57 bricks at the entrance to the Sandpiper Room with names engraved. The money raised from this project was used to purchase a projection TV which has proven to be a much used addition to our facility. Engraved bricks are available for \$100.00 each.

New clubhouse rules have been adopted and posted on the bulletin board.

A policy was adopted allowing small boats to be stored in carports during the summer.

A park bench was installed in memory of Al Bysiewicz.

A patio was added near the east door of the Sandpiper room and designated a smoking area.

The board voted to annually provide \$1,200 to the Activities Club in exchange for making all residents automatically members of SAC.

Cortina Road was patched and sealed as were the streets in the park. The road to the new maintenance area was paved.

SPH took possession of the Branagan property at 551 Aspen, removed the unit and placed the lot for sale at a price of \$55,000.

IMPORTANT FIRE SAFETY INFORMATION Free Smoke Alarms Available

SAC has arranged for the fire department to come into the park and present a short program on fire safety. Anyone who does not have a smoke alarm or who has one that doesn't work, can sign up, and the fire department will either install a new smoke alarm in your home or repair yours. There is NO CHARGE for this program.

The sign up sheets will be on the bulletin board and will remain there until the middle of February. At that time the list will be given to the fire department, and a date will be set for them to come to the park to install them. We will set a time for the program, and you may attend or simply ask them to do your installation. This should be a plus for Sandalwood, so sign up soon. Questions, call Carmen 483-4527

NEWCOMER'S PARTY

Wednesday, Jan. 28th was the opportunity for all Sandalwood residents to meet their new neighbors and welcome them to their community. The Sandpiper hall was filled with an outpouring of hospitality and good feelings towards the newcomers. There are 26 new people in the park this year and 24 were able to attend. Carl Van Gilst, President of SPHA welcomed everyone and expressed the hope that they would all enjoy the park as much as we all do. Carmen Wallin spoke as President of Sac and informed them all of the activities SAC provides.

All newcomers were introduced and asked to tell where they were from and anything else they would like to add. After the formalities a grand array of food was provided along with punch and a huge cake decorated in a welcoming motif. The best sign of a successful food table is when it is left empty. This was the case this afternoon.

Joanne Rafferty, chairperson, and her committee, Pam Brown, Pat Stevens, Barbara St. Onge, Barb Moore, Grace Bysiewicz and Sandy Yarranton did a fine job making it a smooth moving afternoon. Charlotte Rivard and Gail Hixon manned the punch bowls and Joan Everitt gave out name tags .at the door

Many thanks to the ladies for a job well done!

Rent for our 14 rental lots was increased by \$6 per quarter to cover the increase in cable service. Likewise, maintenance fees for shareowners were increased only to cover the cable increase.

Joanne Rafferty was appointed to the board in November to replace Harry Stevens who had resigned.

Mitch Watson was appointed to the Board in December to Replace Harold Moriarty who died.

Annual trimming of palm trees was completed and annual spraying for red ants was performed.

Major new landscaping, including curbing, has been installed around the clubhouse addition and elsewhere.

Sandalwood hosted a seminar provided by our legal counsel for board members of various parks in the area.

The pool filter was replaced as it was in need of major repair.

The board voted to allow \$2,000 for repair and staining of the fence along Cortina.

Rule II was revised to better accommodate current models of homes and provide more specific specifications for placing units on lots while maintaining open spaces.

In the interest of safety, an effort was initiated to better control the 15 mph speed limit in the park through signage and education.

The biannual survey required by HUD was completed showing SPH 100% in compliance with the "55 and older" provision.

Concrete was added in the area between the exercise room and pool to improve safety and handicapped access to the pool and recreation facilities.

A new pool cover and storage roller was purchased. The board also authorized purchase of new umbrellas and repair of chairs.

Sandalwood Park continues to operate very efficiently with just two permanent employees. Marietta Jones works approximately 20 hrs/week as Office Manager. She handles all office functions associated with management and operation of Sandalwood Park. Charlie Kane works 35 – 40 hrs/week as Maintenance Manager. He handles all maintenance, janitorial and grounds keeping duties. The Board feels very fortunate to have dedicated employees that are also residents.

The Board of Directors included Carl Van Gilst, Pres, Harley Wheeler, VP, George Taylor, Sec, Dan Hutchinson, Treas, John Dane, Harold Moriarty (replaced by Mitch Watson), Harry Stevens (replaced by Joanne Rafferty), Sandra Marsocci, and Henry Bukowski. Appointed by the board were Marietta Jones, asst sec. and Herb Higley, asst treas.

Our share price remains at \$50,000 which places a value of \$700,000 on the 14 unsold lots. The value of our corporation is \$12,000,000 and we remain financially very sound.

Respectfully submitted by Carl Van Gilst, President

SANDALWOOD ACTIVITIES PROVE TO BE A HIT WITH RESIDENTS

JANUARY POTLUCK

January 16th, was the first of the 2010 potluck dinners and it was a full house. The Watsons and the Maldonatos were in charge and along with their helpers ran a successful evening. The entertainment was a CD of Charlie Prose, a favorite of most everybody. If this was an indication of things to come, we are off to a good start this season.

CONCERT SERIES

January 24th, the second of the concert series was held and the concert reputation stayed in tack. Jimmy Mazz, variety vocalist, crooning "Vegas style" captivated the audience with his wide variety of tunes indicative of the decades of the past familiar to the listeners. He was groomed in attractive theatrical attire and had a change to the Elvis Presley jazzy style jacket. Louie Armstrong could have been on stage as you listened to Jimmy's rendition of one of Louie's songs. Frank Sinatra and many other notable singer's favorite songs were part of his program. Jimmy had a good rapport with the audience and

they were appreciative and rewarded him with great applause.

HARD ROCK CASINO TRIP

January 20th and Feb. 17th Hard Rock Casino Trips were a rousing success. Being the first two casino trips of the season the bus was filled to capacity with a fun loving group, anxious for days full of fun and games. The bus rides was filled with entertainment, bingo, horse racing, door prizes and general joking and laughing. The return trip home had evidence of many who had won that day. The next trip is March 24th and it is the last trip of the season. You may sign up on the bulletin board at the clubhouse and bring your money and registration form to me:

FISH and FLICK NIGHT

fish dinner with fixings followed by a movie, "MAMA MIA" Tom Howell, a vacationer here in Sandalwood was the chef and deserves praise and thanks for a job well done. Tom was generous and contributed much along with the cooking. Gil Weidemiller provided the entertaining movie. The concept of dinner and a movie proved to be a great idea according to the number people in attendance. Hopefully this will be an annual event.

VALENTINE POTLUCK

February 13th Carmin Wallin and her committee put on what has been called the best of the best in potluck history. According to many the decorations, food and entertainment will be hard to beat. Valentine's Day seemed to bring out a special feeling among the attendees of "what a wonderful evening, let's have fun." The hall was filled and a lot of new faces were seen, many newcomers to the park along with many regulars who are not usually seen at these events. The food was great, as usual, and along with new faces many new dishes were provided. Everyone had plenty and appeared to be well satisfied and ready for fun and entertainment. Carmen's son Tom was in charge of entertainment and provided "Karaoke" to its fullest. Many residents were quick to display their talents and join in the fun, much to the pleasure of the audience. All in all there were 21 songs sang by 10 singers in total. Gil Weidemiller started off followed by Shirley VanGilst, Bob & Maryann Koons, Johanna Lauzon and Sam Dicks, Carmen Wallin, Arlene Harrison, Uncle Steve (Carmen's brother), Barbara St. Onge, and Tom Wallin. Little did we know what talent we had here in Sandalwood! Who knew Shirley VanGilst was such a songbird. She had five songs and performed each one better than the other. Good job Shirley! Arlene Harrison has been hiding her talent up in Canada, about time she shared it with us. Get her on "American Idol". Barbara St. Onge is always a delight to hear, she pleases the audience be it any occasion, karaoke or not. She's always willing to have fun. The group of Bob & Maryann Koons and Sam Dicks did it all, religious, sentimental, and even the Willy Nelson trio. Each category was performed as well as the other. The talented Wallin family entertained us no end. Carmen as a soloist, singing duet with her son Tom, Uncle Steve as a soloist, and Tom leading the audience in "Ants marching". He succeeded in getting the audience moving, clapping and strutting around. It appeared that no one left early which in itself tells what a grand evening it was. Many thanks to everyone who contributed to the evening. *By: Alice Fitzpatrick*
(thanks to Grace Bysiewicz for taking notes)

HINT FROM CHARLIE KANE

Please be informed that anyone can use the air compressor outside the maintenance building to fill their bicycle tires or inflatable toys. It is best to keep tires inflated, saves tires and makes for easier riding.

CARE CORNER

Please remember the residents who are dealing with health issues with cards and prayers.

Many have inquired about Burke and Corinne McKenna. Their address is 126 Oak Lane, Kenton, Ohio 43326. Surely they would enjoy hearing from their friends in Sandalwood.

It was a joy to see Lil Wittenberg at bingo Tuesday. She looked wonderful and plans to stay in Sandalwood for the next two months. Way to go Lil!

Jug Garrison is in the hospital in Indiana. If you would like to send a card or note, Jug and Carol's address is 1348 Round Lake Rd. Greenwood, Indiana 46143

Alice Puffer recovering from hip surgery at Pinewood Rehab. She is doing well and hopes to return home soon.

Judy Pennington, 485 Ashwood Dr. recently underwent surgery and is recuperating at her sister's home in Clearwater. Judy will return to Sandalwood when she is better. We all know Judy as the lady who quietly goes about doing good things for others. She is in charge of the Salvation Army bin in the clubhouse where food is donated for the less fortunate. She makes sure it is brought to the proper place. She is often seen after clubhouse events loading up her car to bring the leftover foods to the Center of Hope Food Pantry. Judy does so much every day for others that it is now time for all her friends and neighbors to give her moral support and well wishes. Let us shower her with cards. Send them to 485 Ashwood Dr., I'm sure she will get them and it will most certainly brighten up her day

Ken and Barbie Jagger have picked up the gauntlet and are carrying on Judy's good will to those less fortunate in her absence. Many thanks to them.

Life in Lee's eyes

In most towns and cities business operators are always thinking of ways to promote their wares and make them look special. One way to do that is to expand the truth a few degrees and let printed signs do the job. The signs usually say "Voted Best Restaurant in the city"....."Voted Best Carpeting store in the city for the past three years"....."Best Luggage store"....."Best Oil Change in the West" and the ultimate..... "Best Septic Tank Cleaners". When did this voting take place? Is it every two years and who votes? Is it the cooks or the food servers? Is there an age limit required for voting? How many septic tank cleaners are there in the city?

An e-mail reminded me of the Scottish bagpiper who was hired to play his pipes at the grave site of a friend. He got lost looking for the cemetery and by the time he got there no one was around except some workmen taking a break. Full of remorse he looked down at the grave site and saw that the vault cover was already on. He started playing Amazing Grace with such passion that the workers began sobbing. As he was getting in his car to leave he heard one of the workmen say " Holy Moley. I've never seen anything like that before and I've been putting in septic tanks for twenty years".

Advertising has become disgusting and it floods the airways with confusing and dangerous information. Health care is especially vulnerable. XYZ corporation announces a new pill that will clear your sinuses, rid your body of cancer cells, make your heart beat regularly and relieve the pain of gout. Then read the instructions for the product. "Do not take this medicine if your heart beats regularly or if you have gout only in your little left toe". "Product may make you dizzy while driving and could lead to dehydration or death" "If any of these conditions exist, call your doctor immediately". That great information is why the price of drugs keeps skyrocketing. Drug research takes a great amount of time and money.

But there is a solution to faulty medicine. Watch TV for lawyer ads. Most will tell you that if you have suffered from insomnia or halitosis since taking the new XYZ pill you may be eligible to participate in a class action suit along with thousands of other victims and probably become a millionaire. Do you suppose drug manufacturers and lawyers are in cahoots?

That brings us to a more pressing problem. It is more than likely not one single Representative or Senator has read the opening page of the federal health bill. Why should they? If they are one of the good old boys their vote can be profitable for the state they represent. Senator Ben Nelson from Nebraska proved that point. He agreed to vote for the bill if the federal government would pay the total cost of Title 19 recipients in Nebraska from now until the government goes broke or the end of eternity, whichever comes first.

There is a solution to the ignorance of congress.....vote them out this year. The entire House of Representatives and a third of the Senate members are up for re-election. Get rid of all of them....good or bad.....and start all over. That would tell the world who really owns this country.

While visiting a re-hab center recently it was interesting to sit for every meal with three other patients with views similar to mine. One new friend from Chicago wanted to march on Washington and throw the bums out. His idea was not feasible. None of us could march to the front door of the re-hab center unassisted let alone marching on Washington and besides firearms would be illegal. However, the thought of ousting the incumbents provided lively conversation.

"Caveat emptor" is Latin for "Let the buyer beware". In short, that means be careful what you buy whether it be a new medicine or a political promise. If you see a sign that says "Serving you the best creation for fifty five years" take another good look at the sign and see if it says creation or cremation.

“SANDALWOOD’S GOT TALENT”

SAC is considering a Variety Talent Show next season. If you have a talent and are willing to be a part of this show..please let Carmen Wallin or Betty Pratt know, so they can make this idea a reality.

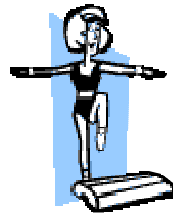

Sarah, the church gossip and self-appointed arbiter of the church’s morals, kept sticking her nose into other people’s business.

Several members were unappreciative of her activities, but feared her enough to maintain their silence.

She made a mistake, however, when she accused George, a new member, of being an alcoholic after she saw his truck parked in front of the town’s only bar one afternoon. She commented to George and the others that everyone seeing it there would know what he was doing. George, a man of few words, stared at her for a moment and just walked away. He didn’t even explain, defend, or deny; he said nothing. Later that evening, George quietly parked his truck in front of Sarah’s house....and left it there all night long

SAVE OUR PLANTS FROM JACK FROST
Jack Frost can give a bitter bite to our Sandalwood Landscape and we need to protect them!

Please save old sheets and tablecloths for covering plants during frost spells. This cold season was a good reminder that it pays to be ready for the “unexpected”. You may bring them to the activity room in the clubhouse and place them under the table opposite the office. I will pick them up daily.
 Thanks, Charlie Kane.

On Wednesday, Feb. 3rd. The Red Hot Peppers went to the Palm Dinner Theater in Ft. Myers to see the “George M” show. It was most enjoyable, the music and the action was great. Thanks

I am overwhelmed at the deluge of cards and personal phone calls from the residents of Sandalwood Park.

The service was beautiful and very unique. I have had many comments on how inspiring Roger's testimony was as it came from him. The music and military portion was exceptional; the message was transforming. I wish to thank all those who helped me through this time of sorrow. I am at peace! The grief will ultimately take over, but I am at peace. God's Blessings Always, Eleanor Brunsell

Marietta (Sandalwood Office Manager) has agreed to carry and sell tickets for all the SAC events, so tickets will be available for SAC events in the office as well as with the people in charge of the various events. This will be great because it's often difficult for residents to know where to buy tickets for the various events. Marietta, we really appreciate your help and cooperation. Thanks so much! Carmen Wallin (SAC President)

We want to thank all of our friends for the outpouring of love and support shown us on the loss of our daughter, Lori. That's one of the things that makes Sandalwood such a special place to live. Thank you & love to all. Harley & Connie Wheeler

We wish to express our sincere thanks to all for a most pleasant afternoon at the Newcomers party. The hospitality and friendliness of the Sandalwood residents was just wonderful. We certainly knew we had chosen the right place to take up residence. We had already spoken to many we have met since our arrival and everyone has been helpful and most pleasant. Thank you again and to all who worked that day we know how much it takes to put on something like that and we are most appreciative. MANY, MANY THANKS FOR THE WELCOME!!!!!!! John & Julie Martin, 532 Walnut Circle

Many thanks to Pat Griffith and her crew of volunteers for covering and uncovering the pool solar cover. Charlie Kane

CORRECTION

It is my pleasure to add 10 more years to the marriage of Don & Winnie Underhill. I mistakenly credited them with 53 years of wedded bliss when in reality it is 63 years. Far be it for me to take those ten years away from them. My apologies to them both and again

Contributed by Mary Martin

According to the manager, the oldest lessee is Lura Hallman, November 1972. Next came Mary Martin, Feb. 13th, 1973. Doug and Brenda MacDonald may be next. There was no resident manager at first. The one also overseeing our Park came from Venice Isles; his name was Armbruster. Our office was in the mobile home at 411 Longwood. I lost count of the number of managers after I got to 22. Think Jack and Thelma Pierce were the longest. Shortest time for one was four-and-half days. This was a family park until 1977. We had a wading pool and a play yard, with swings, slides and a baseball park. Mail boxes were racked on wall of laundry room. It was a favorite meeting place around 10 to 10:30 every morning. We used to have B.Y.O. dances with live bands about once a month. Marge and Heinz Daschke met at one of them. We had eggs, bacon, sausage and pancake breakfasts, with the public invited once in a while. While still a family park, a few families took turns patrolling the Park in a golf cart that the park owned. Manager used it to check out the Park. There were few Sheriff Dept. Citizens Patrol Units at that time. Later we had a patrol similar to the one we have now, but with no police radios. We all had C.B.s. If we had problems, we notified the manager and he called the police. With all the children in the Park we started patrolling at sundown. We had two shifts, one until 9:00 PM then the

second from 9:00 PM until sometimes 2:00 or 3:00 AM.

Much damage in Park due to storms was on the north side of the Park. Walnut Circle and Aspen lost a few porches and carports. Only one mobile home was lost due to fire at 463 Longwood. We became a member of F.M.O. in 1977. No local unit was here at that time. I helped write the original By-Laws for the first Association.

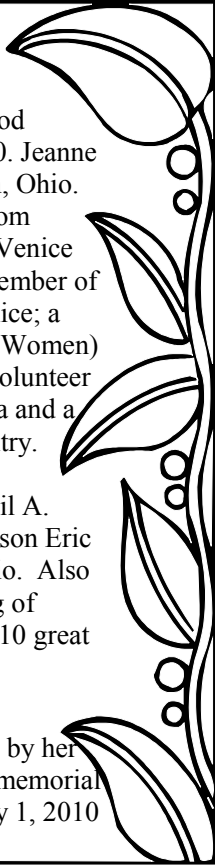

The last mobile home to fill the Park was at 468 Spindrift South in 1973. Our rent was \$50 a month. Cable was \$4.05. All we had was basic TV. We paid for garbage pick-up by buying a roll of plastic bags with Englewood Disposal printed on them. No printing, no pick-up! Cost was \$19.50 a roll. We all had to pay \$25.00 when mail boxes were finally put at our homes.

Center Road was two lanes. Absolutely nothing was past our homes before you got to Garden Elem. School. The road was very narrow. You couldn't pull off if you had car trouble because it was all swamp on both sides. There was no other road until River Road. The only business on By-Pass south of Superior Heating & Cooling was a Pet Milk distribution center. Joelson Concrete was new and hadn't opened for business yet. Sign at Jacaranda Plaza said "Shopping center coming soon." it had been there so long you could hardly read it. There were only three shopping centers: Kash & Karry, the Rialto and Publix in town.

She was a L.P.N. for Venice Hospital before retiring. She was a member of Grace United Methodist Church, Venice; a member of UMW (United Methodist Women) member of Church Women United; volunteer for Habitat for Humanity Venice Area and a volunteer for South County Food Pantry. Mrs. Hamilton was preceded in death by her husband, Marshall J. Hamilton. Her memorial service was held on Monday February 1, 2010 at Grace United Methodist Church.

*IN MEMORY**Ed Hamilton*

Edward A. Hamilton, 92, passed away on Friday, Dec. 18, 2009, at his home in Marietta, Ohio.

Ed graduated from Texas A&M University in 1939 and was a member of the Texas Aggie Band Association. He was a first lieutenant in the 8th Field Artillery Observation Battalion and served in Northern France and Normandy during World War II. While in England he offered an Army nurse his seat on a train and later married her on Dec. 7, 1945. He and Margaret Hamilton had a son and two daughters.

After serving in WWII, he attended Johns Hopkins University and obtained a Ph.D. in geology. His work in oil and gas exploration produced successful wells in Illinois, Kentucky and West Virginia. He also managed a family timber business in East Texas for over 50 years. After his first wife, Marge, died in 1996, he actively started singing in barbershop chorus and met his future wife, Ollie, by selling her a ticket to the Venice Gondoliers Spring concert in 1998. Since then he and Ollie have split their time between his home in Marietta and Sandalwood Park. He was the oldest member of the Venice Gondoliers Barbershop Chorus, was instrumental in forming the River City Treblemakers in Marietta, was a 12 year member of the Barbershop Harmony Society, and he sang with the Harmar Tavern Monday Night Singers. He was a member of the St. Luke's Lutheran Church. He was a Paul Harris Fellow of Rotary, a Shriner and a Mason. He enjoyed tennis, golf, fishing, storytelling festivals and teaching his children about the timber business.

He is survived by his beloved wife, Olive F. Hamilton; his sister, Elizabeth Hamilton; son, Thomas E. Hamilton (wife Carin); daughters, Ann L. Hamilton (husband Jan) and Susan Hamilton Burleigh (husband Rick); granddaughter, Whitney Schelat; and grandson, Andrew Dugowson.

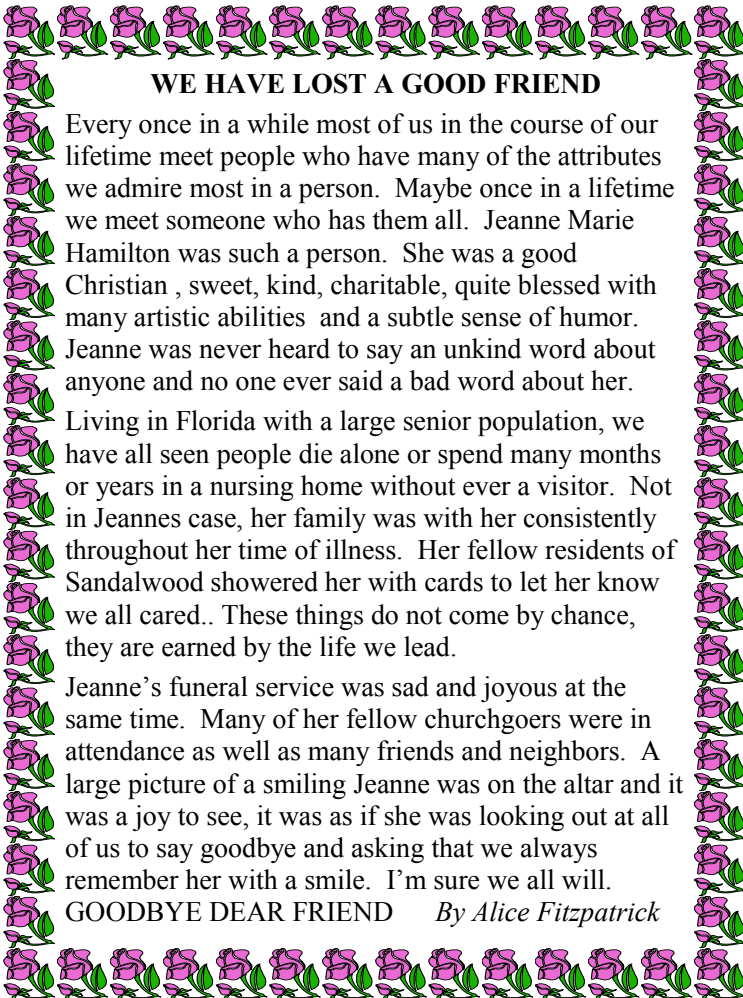

**WE HAVE LOST A GOOD FRIEND**

Every once in a while most of us in the course of our lifetime meet people who have many of the attributes we admire most in a person. Maybe once in a lifetime we meet someone who has them all. Jeanne Marie Hamilton was such a person. She was a good Christian, sweet, kind, charitable, quite blessed with many artistic abilities and a subtle sense of humor. Jeanne was never heard to say an unkind word about anyone and no one ever said a bad word about her.

Living in Florida with a large senior population, we have all seen people die alone or spend many months or years in a nursing home without ever a visitor. Not in Jeanne's case, her family was with her consistently throughout her time of illness. Her fellow residents of Sandalwood showered her with cards to let her know we all cared. These things do not come by chance, they are earned by the life we lead.

Jeanne's funeral service was sad and joyous at the same time. Many of her fellow churchgoers were in attendance as well as many friends and neighbors. A large picture of a smiling Jeanne was on the altar and it was a joy to see, it was as if she was looking out at all of us to say goodbye and asking that we always remember her with a smile. I'm sure we all will.
