Picnic Games

The outside games were played again this year right after the picnic. Many of the residents stuck around to join in the friendly competition in bocce ball, shuffleboard, cornhole, and golf. There was a lot of laughter and kidding going on as we battled it out for the ten cash prizes of \$10.00 for first place in each category.

The winners of the games played after the annual picnic on Saturday, March 23rd are pictured below.

Bocci Ball - Jan Kroen & Mike Fleming

Cornhole - Nancy Edwards & Mike Fleming

Shuffleboard - Catherine Phillips & Jim Pratt

Chipping - Maryann Koons & Rick Overdick

Putting - Connie Bressler & Bill Edwards

Tony Ellis organized the games and would like to thank the following people who helped out this year: Sam Dicks, Jim Harrison, Bob & Maryann Koons, Susan Smith, Joan Ellis, Tony & Holly Koss, Rod & Carol Ackerman and Dave & Sue Alvis.

PARK SALE

Although the season is ending, your SAC board is already planning next year's park rummage sale. We have decided to not have the carport sales next year. Please bring your items to the clubhouse a few days prior to the sale. The money we make goes to our many activities that are run for your enjoyment.

Please note that we will no longer be taking clothing donations. Also, on the Do Not Donate list is Holiday decorations, TV's and microwaves. We will be accepting items in good condition during the summer. Please contact Joyce Blackney at 941/451-9959 or Gail Pellitteri at 941/882-4065 if you want your item(s) to be put in the shed.

RESIDENT ARTS AND CRAFTS EXHIBIT

On Thursday, January 16, 2020, SAC will be sponsoring an Arts and Crafts Exhibit in the Clubhouse Activity Room. Come witness the many talents of Sandalwood's residents as they showcase their creativity. This exhibit will be open prior to and following the park's Annual Meeting. If you have a talent you would like to share, please contact Susan Smith (susansmith6699@gmail.com) in order that we can arrange the room accordingly. Space per exhibit will be determined by the number of participants. Reserved space must be made by November 1, 2019. Although this is being promoted as an exhibit, participants will have the option to sell.

Singles Wanted

Please try to bring small bills to any activity that requires singles and/or fives (50/50, trivia, horse races, ice cream social, etc.). It is often difficult to make change for a \$20. Thank you for your cooperation.

Did You Know...

7.8 Golf carts are permitted within the park, but must be registered at the park office and operated safely under the following guidelines:

- Golf Cart Registration Form must be completed and signed by all applicants.
- Golf Carts must be properly registered and a current proof of insurance on file with Management before it can be operated in the park.
- The Golf Cart "owners" will place 4 inch reflective numbers of the "owners" Unit Number on each side of the golf cart at time of registration and before the golf cart can be operated in the park. These numbers must be displayed while the golf cart is in operation in the park.
- No golf cart can be operated within the park by anyone younger than 16 years of age.
- Only one golf cart is allowed per home.
- Golf Carts must be parked on driveways, never on the grass.
- Golf Carts must follow all the rules and regulations of motorized vehicles.
- Golf Carts must be equipped with headlights and red taillights if operated before sunrise and after sunset.
- Only electric golf carts are allowed.

With Appreciation

Thank you to everyone in the Park that sent me a sympathy card and came to me personally with their condolences for the passing of my Mom, Frances Roy. It meant so much to know she had so many friends in the Park and also my friends that didn't know my Mom. She played Bingo up to 6 weeks before she passed away. Her illness was very quick and she passed in my home with my brother and I by her side. Friends are such a blessing.

Showcase 2020

WOW! Next year's Showcase is going to be great! Last year, we announced that we would do a "Favorites" series. We had the Showcase attendees select their top three choices of the performers we have had over the years. Luckily, we have been able to hire two of the top three entertainers that people wanted to see again. First on the list was Red Hot & Blue Collar, but they are not performing anymore due to a divorce.

Our first show won't be until January 19, which will be better for the snowbirds who come south a little later. The ticket sale will also be later, but that date won't be selected until SAC makes out next year's calendar.

Like all the series on TV that end the season with a cliff hanger, we'll do the same and not announce next year's three fantastic shows until next season. YOU WON'T WANT TO MISS IT.

Email Addresses Wanted

In order to facilitate getting updated information to residents regarding our events and activities, the SAC Board would like to request that you give us your email for the purpose of such announcements and reminders.

This list will only be used by the Board members. If your email is listed in the resident directory, you need to do nothing. However, if not listed and you would like to be included, please bring your contact information to the office and a SAC member will pick them up. If those listed do not want to receive our emails, please advise the office of same.

CARDED?

Just a reminder to all shareholders, if your guests are staying in your property without you being there, one person must be at least 45 years of age.

SANDALWOOD ACTIVITIES COMMITTEE

Minutes of April 9, 2019 Board meeting.

Carmen Wallin called the meeting to order and the Pledge was recited.

A motion was made by Gail Pellitteri to approve the April minutes as submitted, seconded by Judy Oberdick. Judy Oberdick gave the Treasurer's Report as follows: Reconciliation, Profit and Loss YTD, and individual reports for events held this fiscal year. Discussion was held regarding the profit and loss of events.

Committee Reports: Some events have finished for the season, however, Linda Fleming stated that she will continue with water aerobics for as long as people continue coming.

Old Business: A lengthy discussion continued on the events that have occurred this past season: dinners, dances, picnics, rummage sale and the help that is required for such events. The Board realizes that there needs to be changes made for next season and is continuing discussion on how to make next season even better.

New Business: Discussion on a possible name change was brought up in a letter from Susan Smith. This was tabled at this time. Regina Fortin said she had three individuals that were willing to take on the task of updating the signage at the front and back gates. There will be a new lock on the storage shed as too many people are entering this space and leaving "deposits".

Tony and Holly Koss along with Vic and Gail Pellitteri will be handling the horse races during the summer season.

Respectfully Submitted,
Judy Oberdick

It's Race Time!!

The annual Sandalwood Triple Crown Event is BACK! The Kentucky Derby's Run for the Roses will take place on Saturday, May 4th. The Preakness will be run two weeks later, Saturday, May 18th. The third jewel of the Triple Crown will be the Belmont Stakes on

Saturday, June 8th. Join us in the clubhouse beginning at 4:15 for fun, food, frolic and a chance to gain some funds. All races will have a \$5.00 entry fee. This will not only get you good food, coffee, dessert and lemonade or iced tea but also an opportunity to step-up to the betting window too. Feel free to bring your own adult beverage and snacks if you wish.

On May 4th join us for the Kentucky Derby pre-race activity; our famous Ladies Hat Contest! The Derby is known for three things; the first leg of the Triple Crown, mint juleps and hats. Gift certificates for the prettiest and funniest hat will be awarded per attendee's vote. Your imagination and fashion sense just may land you in the winner's circle. And don't forget to get your voice in shape for the traditional singing of "My Old Kentucky Home".

The wagering window will be open until 15 minutes prior to post time. Bet FAST, FREQUENTLY and BET A LOT! When the gates open, you'll be thrilled by the sound of thundering hoofs, the call of the announcer and the screaming of your neighbors rooting to bring their horse home first. As a reminder, please do not bring \$20 bills. \$1 bills are preferred and necessary. We pay out what we take in; twenty-dollar bills are hard to break when it comes to payout time.

Pre-registration is required. A sign-up sheet for each race will be on the clubhouse bulletin board until the end of day Tuesday before each event. If your name is on the list at the end of the day Tuesday, and you do not show up, you will be expected to pay the \$5.00 as food will be purchased for you. The same process will be followed for all three races.

If you have any questions, please contact Gail Pellitteri @ 941-882-4065.

2017 Small Business of the Year

Blair Post, HAS, BC-HIS, ACA

Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

Studying Swimming

Recently a couple stopped in to inquire about hearing aids. They had read many articles online. Well, he had read many articles online. He read about hearing tests, different models, and various manufacturers.

He read so much he was probably more informed than first year students of audioprosthology.

But, learning about hearing aids, especially when you are the one who needs to hear better, is a lot like watching YouTube videos about swimming. Watching someone jump into the pool and attempt to float, doesn't offer the same insight as being there.

It's not at all the same thing as feeling the water skim along your skin. Experiencing how to relax, float, and feel the pressure of the water. When you experience buoyancy, you are swimming.

Learning about technology inside the hearing aids and the purpose of the various algorithms won't help you hear your wife at the restaurant.

Now, I don't want to discourage anyone from learning more, especially about the benefits of hearing aids.

The only way to appreciate all the technology in the little device is to try one.

Get a hearing test and then demo a hearing aid.

Will it be perfect? Likely, not. Was the first time you jumped into swim perfect? Likely, not.

Only by trying hearing aids will you appreciate the algorithms that allow you to hear at frequency adjustments in real time. Hearing aids aren't about making everything louder. Hearing aids only increase the specific frequencies that you struggle with. This is why a current hearing test is necessary. We need to fit your loss. We need to help you, and only you, hear your best.

I had a great conversation about the latest technology, but that still didn't help him hear any better when they got in the car.

If you have read about hearing aids and wonder if they might help you, please call us for a free, no obligation demonstration to help you hear better.
