SANDALWOOD WEBSITE

Did you know that Sandalwood has a website? It's a good way to keep up with the happenings and reading the newsletters online.

The address is www.sandalwoodpark.com

Donation Shed

Our shed is empty and awaiting your donations for next year's parkwide yard sale (it will be here before you know it). Please call Gail Pellitteri at 941/882-4065 or Linda Fleming at 941/445-2668 to gain access to the shed to store your merchandise. Everything should be basically clean and in good condition. We do not take TVs, microwaves, clothing or Holiday décor.

Chair Yoga

Linda Fleming will be bringing chair yoga to Sandalwood. This new class is replacing Huff n Puff and will start on Wednesday, November 8th. Every Monday, Wednesday and Friday, 9:00-9:45 (before AquaAerobics), you will learn stretching and balance movements; both beginners and experts will benefit from this class. Comfortable clothing and shoes are all that's needed, we'll supply the chair. 😊

Decorating For Christmas

Our annual "deck the halls" get-together will be on Monday, November 27th at 9:00 AM. This is a chance to start getting into the Christmas spirit by helping to decorate both the inside and outside of our clubhouse. FYI Newbies; we decorate 2 trees and have many Holiday pieces that need to be put out, so there's lots to do.

Coffee and donuts will be served to all those who volunteer their time. So, come and beautify your clubhouse for Christmas and get free coffee and donuts to boot. Sound like a plan to me!

Technology Levels

Blair Post, HAS, BC-HIS, ACA

Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

I'm going to share a story about "Joe". Yes, his name has been changed to protect him.

Joe came in for his regular cleaning. He mentioned that while his kids were in town, he had felt like he was always on alert. He explained that while out to dinner he had to look at who was speaking to make sure he heard clearly. While at home he was always listening for someone to speak to him.

He really liked when it was just him and his wife so he could just hang out. If she said something she knew to get his attention or speak louder so he would look at her.

Joe bought mid-level technology four years ago when he lived up north. Now that they are full time residents and more active with people coming to visit, he has noticed that his hearing aids aren't keeping up.

I offered him a chance to try premium level hearing aids for a few days so he could hear the difference. Premium technology offers better clarity in noisy situations and I recommend my socially active clients try them.

He came in beaming. He came alone.

Joe shared that he and his wife went to Sand Trap and golf was on one of the channels. His wife was talking about one of the kids while he was watching the golf. He responded to her question and in mid-sentence yelled about the amazing golf shot that just happened.

He went on to explain how it was that moment in which he realized he was just hanging out. He wasn't intensely focused on his wife while out to eat. He was just being casual.

With his new hearing aids, he has enjoyed being relaxed and at ease while listening to his family and friends when they get together.

As I shared with him, the higher the technology the more heavy lifting they will provide so you can feel at ease.

If you would like to try hearing aids that can help you relax while being with your friends and family, call me to demo premium technology hearing aids.

BE SANTA TO A CHILD

Our Mother's House Christmas Donations

Our Mother's House of Venice is looking forward to our yearly donation of children's gifts again this year. Gifts from 0 up to 3 are needed. Please wrap your gift and put a note on top with the age and gender of the item. Diapers, which are sorely needed, do not have to be wrapped.

For your information, Our Mother's House is a facility of Catholic Charities and is a place for young moms and babies who need a home. Moms can finish school or look for a job close by and are taught self-sufficiency through education, vocational training, and personal growth.

Your gifts need to be placed beneath our Christmas tree in the Activities Room by December 7th and will be delivered for their Christmas party on the 14th. Nothing says Christmas Spirit more than a child's smile at opening a gift from Santa.

Yet, Another Name Change

Our winter concert series has gone through several name changes over the years. The last name change to Cabaret was confusing to many who envisioned dancing girls. So, in order to avoid any misconception, the new name is Showtime!

Keep an eye out for announcements in our newsletter and on Facebook for the 3 terrific new acts that have been booked for the upcoming season.
