## HALLOWEEN PARTY

SAC will be holding a Halloween costume party and dance on  
**Saturday, October 26th from 7:00-9:30.**

Costumes are not necessary, of course, but will add to the fun.  
Prizes for the scariest and funniest costumes will be awarded  
per everyone's vote. The DJ also teaches line dancing and will  
show us a few steps to add to our line dancing repertoire.

Tickets are \$5.00 and can be purchased from Gail Pellitteri  
starting October 1st or at the door on the 26th.  
This is a BYOB and table snacks to share party.

Everyone who attended last year had a blast; it was,  
and I quote, "best Halloween party at Sandalwood ever".  
So, dress up (or not) and come enjoy the festivities.

Please sign up on the bulletin board so  
that we have a head count.

## PARK SALE

Although the season is ending, your SAC board is already planning next year's park rummage sale. We have decided to not have the carport sales next year. Please bring your items to the clubhouse a few days prior to the sale. The money we make goes to our many activities that are run for your enjoyment.

Please note that we will no longer be taking clothing donations. Also, on the Do Not Donate list is Holiday decorations, TV's and microwaves. We will be accepting items in good condition during the summer. Please contact Gail Pellitteri at 941/882-4065 if you want your item(s) to be put in the shed.

## CARDED?

Just a reminder to all shareholders, if your guests are staying in your property without you being there, one person must be at least 55 years of age.

## FOR YOUR SAFETY

While our regulations require bicycles ridden after dark to have a white light in the front and a red light in the rear (12.6), common sense would dictate you should not be walking after dark without a flashlight. We have had a couple of close calls this summer with both unlighted bicycles and pedestrians and we only have a fraction of the number of residents in the park that we will have during the winter season. It is great to be able to get out and ride or walk after the sun goes down along with the temperature. But, PLEASE, FOR YOUR OWN SAFETY, do not ride or walk at night without lights.

## Thanksgiving Potluck

SAC is thinking of holding a Thanksgiving Day potluck on November 23rd. We will supply the turkey and gravy but will need several people to make potatoes, dressing, veggies, etc. and, of course, dessert (pumpkin pie, any-one?). This is just in the planning stage so stay tuned.

## Resident Arts And Crafts Exhibit

On Thursday, January 16, 2020, SAC will be sponsoring an Arts and Crafts Exhibit in the Clubhouse Activity Room. Come witness the many talents of Sandalwood's residents as they showcase their creativity. This exhibit will be open prior to and following the park's Annual Meeting. If you have a talent you would like to share, please contact Susan Smith (susansmith6699@gmail.com) in order that we can arrange the room accordingly. Space per exhibit will be determined by the number of participants. Reserved space must be made by November 1, 2019. Although this is being promoted as an exhibit, participants will have the option to sell.

POTENTIAL EXHIBITORS: I know you are out there. I have only had a couple of responses. Please contact me as soon as possible as I want to get spaces allotted while I am down for a couple of weeks in November so you know what kind of space you have to work with. THANKS!!!!!!

**PLEASE, PLEASE, PLEASE RESPOND ASAP!**

**Can You Help My Ears?**

Expo season is upon us. We have already been in the Chamber Expo, which hosts local businesses. Then we were part of the Sun Fiesta. We have upcoming events in some of the homeowner community events.

When Karen has attended events, she has heard the husbands say, "I hear fine." And Karen always responds, "You don't get a vote, your wife does." Then she turns to the wife and, more often than not, the wife says, "He needs to come in and see you."

At these events, people approach us and tend to ask similar questions. Sometimes people who ask me, "What's new in hearing aids?" just aren't sure what other questions they could ask. They might have a hearing loss, or someone they love does, and they might not be ready to proceed.

This is a difficult conversation to have.

The real question Karen discovered while having lunch downtown with a new acquaintance is, "are you just gonna sell me hearing aids or try to help my hearing loss?"

If you have worked with me, you know the answer. I will work to help you hear better in your life. I won't sell you more technology than you need, and I won't sell you so little that you would be frustrated with the hearing aids.

Being in this industry for 17 years, I am passionate about helping people hear well. Like most people, I really enjoy people appreciating my services. We have received a lot of testimonials and posted many of them on our website. I have heard that these letters gave new clients confidence. If you have enjoyed our services, please send us your story that we can share with others.

If you had the time to drop by our table at an expo and say hi, thank you. I really do enjoy saying hello to everyone.
