## Halloween Party

The last few years have been rough, between Covid-19 and Ian, Halloween was cancelled. But happily, SAC will be holding our Halloween costume party on Tuesday, October 31st from 7:00-9:30. Dressing up is not necessary, of course, but will add to the fun and you just might win the costume contest. This year, our 2 prizes will be for the most original costumes, one for the ladies and one for the guys; winners will be selected per attendees' vote.

A party is not a party without dance music and DJ Toby will play a great mix to get everyone on the dance floor.

Tickets are \$5.00 and can be purchased at the door on the 31st. This is a BYOB and table snacks to share party. Please sign up on the bulletin board so we know how many tables to decorate.

So, dress up in a costume (or not) and come enjoy the festivities—a good time will be had by all!

## Yet, Another Name Change

Our winter concert series has gone through several name changes over the years. The last name change to Cabaret was confusing to many who envisioned dancing girls. So, in order to avoid any misconception, the new name is Showtime!

Keep an eye out for announcements in our newsletter and on Facebook for the 3 terrific new acts that have been booked for the upcoming season.

## Thanksgiving Day Dinner

Our annual Thanksgiving dinner will be on Thursday, November 23rd. Turkey with all the tasty trimmings will be on the menu for \$10.00 pp. Please keep an eye out for complete details on FaceBook, the outside shadowbox and bulletin board.

## Donation Shed

Our shed is empty and awaiting your donations for next year's parkwide yard sale (it will be here before you know it). Please call Gail Pellitteri at 941/882-4065 or Linda Fleming at 941/445-2668 to gain access to the shed to store your merchandise. Everything should be basically clean and in good condition. We do not take TVs, microwaves, clothing or Holiday décor.

### Struggle to Hear?

While presenting at the recent Chamber Expo, a woman stopped by our booth and asked if her dad should get his hearing tested.

I asked, "When does he struggle to hear well?"

She said, "He doesn't struggle. He hears well but I just thought since he is 86 years-old, he should have it checked."

I said, "It doesn't seem like he has a loss. I would encourage you to have his hearing checked if he strains to hear you or your family. If he struggles to hear then have his hearing checked."

If you wonder if you or a loved one should have your hearing checked here are four questions to ask:

- \* Does your spouse complain that the TV is too loud?
- \* Does your spouse complain that you don't listen?
- \* Do you strain to hear in crowds?
- \* Do you strain to hear your grandkids or younger waitresses?

If you answer yes to TWO of these questions, you should get your hearing tested.

Does answering yes mean you have a hearing loss? No, these are just indicators. They suggest you should get a hearing test so know your baseline.

After the hearing test when I review your results with you, I will give you tips to hear better during these situations.

There is no fee to have the test.

If your loss could benefit from hearing aids, and you want to, I will let you try a set of hearing aids for one week. There is no contract and no obligation. You can try the aids for one week in your everyday life.

If you wonder if you have a hearing loss, call for your hearing test, 941-244-9300.
