Letter from the President

Hello Everyone,

It will won't be long before we are all gathered back at Sandalwood for another winter of beautiful weather.

More people stayed for the summer and some came back and enjoyed a couple of weeks over the summer months.

Although there are considerably less people during the summer, Sandalwood Park is up and running.

At the last meeting we were asked to add more table seating to the patio area, including four new high tops. Pool lounge chairs in poor condition were replaced. Painting was done where needed. Kick plates were added to the bottom of the exit doors in the Sandpiper room and Activity room. The portico/entrance to the Sandpiper Room and Office Building were power washed and stained. The entrance looks new! George (our floor man) came to clean and wax the floors and they look great.

The vote to amend our bylaws, to reduce the Board of Directors from nine to seven passed. We received over 75% response and 174 shareholders voted to reduce the Board to seven.

I look forward to a fun, friendly and active season. SAC has planned many activities for the 2016/2017 season. Check out the calendar for all the events. We will reprint the entire calendar in the November newsletter.

Please check in at the office when returning to update your address.

For those of you up north have a safe trip back.

Regina Fortin

Helpful Guidelines for Events Now Available for Everyone

There is now a "guideline-help" book on a shelf in the kitchen to help anyone plan and find objects that are needed for any activity.

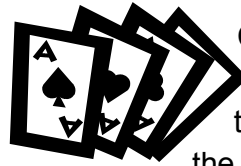

The SAC committee will even suggest an experienced resident, so that a newcomer can organize and run any event at the park's facilities.

The 3-ring, yellow binder explains where the location of all the supplies are, how to reserve the space, and what is necessary for clean-up, placement of garbage cans and activity break down.

This binder is available for anyone who would like to create any event.

Walk To End Alzheimer's

Shirley and her family invite all of our friends to join us in what we expect to be the most significant event in her life. Shirley is leading a team in a WALK TO END ALZHEIMER'S on her 81st birthday. Shirley has survived cancer twice but, as of today, Alzheimer's is not curable. THIS NEEDS TO END! This walk does two things: First, it raises money for research. Second, and more important, it raises awareness to promote action to end this disease!

You can find our walk at act.alz.org. Find the Michiana walk at South Bend on September 25, 2016 (Shirley's 81st birthday). You may participate in person or by donation.

Participants are invited to Carl & Shirley's residence (corner of Bashor & Reliance) for a hog roast birthday party after the walk. Shirley is no longer able to party all night but can still greet friends with a smile.

If you have questions, contact son Don at 574-202-3000.
